SDN Summit 2013: More than 400 Participants

The second edition of the SDN Summit attracted more than 400 participants.

Together with MPLS World, the total audience reached 1350 people. Uppside targets +1500 participants for the 2014 edition.

Carriers Coming from 65 Countries

NFV & SDN Summit Agenda: Architecture, Standard Progress, Service Chaining, Cloud NFV, OpenSource

The 2014 program will pay particular attention to NFV architecture and standardization process. Principal issue addressed by the participants will be : "How to combine NFV with SDN". Other sessions will cover Service chaining, OpenSource, Cloud aspects and performance issues. A large session is dedicated to current use cases and first NFV&SDN implementations. Particular attention will be also payed on Non Intel Approaches for NFV.

The call for proposals is open until June 30. The scientific committee will review the proposals.

Uppside team would like to thank the committee members for their invaluable help.

Colocation with MPLS SDN World Congress

As was the case in 2013, NFV & SDN Summit and the collocated MPLS SDN World Congress will have a common agenda during the first day of the event, and will end with a debate addressing the most important technical issues impacting service providers' network architectures.

Sponsorship Opportunities

Sponsorship opportunities represent a unique means to enhance your visibility to decision-making attendees and industry professionals at the third Edition of NFV & SDN Summit which will be organised alongside V6 World and MPLS SDN World Congress.

Some of the principal reasons why clients sponsor our conferences are:

- To enhance corporate image in a specific market
- To set up contacts from major target organisations
- To announce major launches
- To accelerate market penetration

They offer an exceptional value for money by driving increased traffic into your corporate website as well as to your exhibitor stand. Sponsorship opportunities signify increased brand awareness and provide invaluable face-to-face interaction with industry peers where delegates can network and exchange ideas, and forge new contacts from across the globe.

Depending on your specific business objectives, we propose several sponsorship opportunities to be recognized as either a Platinum, Gold, Silver or Official Sponsor.

In addition, you can combine any of these sponsoring packages with an exhibition booth. The exhibition will take place on level 0 of the conference center. The SDN Summit will take place on level -1. SDN Summit will share a common exhibition & coffee-break area with MPLS & Ethernet and V6 World Congress events.

Moreover a set of complementary options offers the possibility to efficiently showcase your company's visibility during the event (conference room, lanyards, conference pen sponsor...).

Sponsorships and booths will be assigned on a first-come, first served basis!
